WHO WE ARE

Workforce solutions with transparency & professionalism

PublicWave Technologies is a professional manpower and workforce management company based in Patna, Bihar.

We work with businesses that require dependable blue-collar employees for housekeeping, facility operations, warehouses, logistics, manufacturing, retail, hospitality and other operational roles.

Our consultancy division supports job seekers through career counseling, resume improvement, interview preparation and placement assistance. Our focus is to connect suitable candidates with genuine employment opportunities while helping companies build reliable and productive teams.

The company is being established in 2026 with a commitment to transparency, professionalism and responsible employment support.

OUR VISION

To become a trusted workforce solutions company that creates better employment opportunities for job seekers and provides reliable, skilled and responsible employees to businesses across India.

OUR MISSION

- ◆ To make genuine employment opportunities accessible to more people.
- ◆ To provide companies with suitable, verified and job-ready employees.
- ◆ To simplify blue-collar payroll and workforce management for businesses.
- ◆ To guide job seekers in selecting suitable career opportunities.
- ◆ To maintain transparency in counseling, recruitment and payroll services.
- ◆ To build long-term relationships with candidates, employees and corporate clients.

OUR CORE VALUES

Transparency

Clear fees, clear processes and honest communication.

Professionalism

Structured, reliable and accountable service delivery.

Equal Opportunity

Fair access to opportunities for every candidate.

Candidate Support

Guidance at every step of the job search.

Complete workforce & technology solutions

01

Manpower Outsourcing

Dependable blue-collar manpower matched to your operational requirements — sourced, screened and deployed.

02

Blue-Collar Payroll Management

End-to-end payroll exclusively for blue-collar employees — attendance, salaries, payslips and compliance support.

03

Housekeeping Workforce Solutions

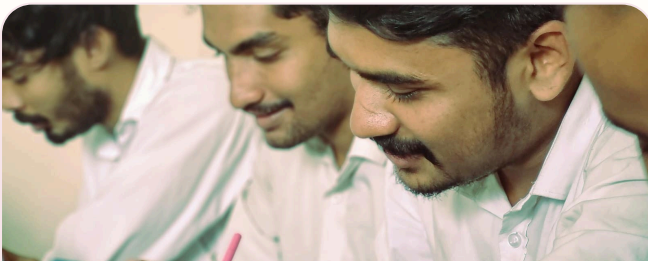

Housekeeping staff for offices, malls, hospitals, hotels, institutions and more — deployed and managed.

04

Career Counseling & Job Assistance

Professional counseling for ₹100 + GST — profile assessment, resume help, interview guidance and job updates.

05

Skill Development & Training

Practical, job-oriented training — housekeeping, warehouse, retail, soft skills, spoken English and basic computers.

06

IT Services & Web Development

Professional websites, e-commerce stores, web applications and admin portals — designed, built and maintained.

Career counseling & job support

One-to-one career counseling with our team — online via Zoom or at our Patna office. Each session is 15 minutes and helps you choose the right job, improve your CV and prepare for interviews.

- ✓ Affordable professional counseling
- ✓ Resume improvement support
- ✓ Regular job opportunity updates
- ✓ Access to different employer requirements
- ✓ Online and offline counseling options
- ✓ Career and interview guidance
- ✓ Multiple suitable interview opportunities
- ✓ Support throughout the application process
